READING/LANGUAGE ARTS—Yippee, Yay!, Time For Kids, whole group/small group/partner/independent reading, vocabulary, fact and opinion, main idea/details, comprehension questions, editing/proofreading, "find it, prove it" strategy (look back in text to prove answers), reference tools, cursive review, journal writing, word wall words review, haiku poetry, linking verbs

SCIENCE—potential energy, kinetic energy, gravity, friction, contact/noncontact forces

IMPORTANT NEWS

- ♣ **Daily Word Problems** (DWP) will be coming home each night (M-Th) in the red Homework Folders. Students are expected to complete their assigned problem each evening and return it to school the next day. A new sheet will be sent home each week. Thank you for your support!
- ♣ Keep practicing multiplication/division facts daily!
- ♣ Early Dismissal on Friday (3/16) at 11:15 a.m.
- ♣ New spelling words come home Friday

Our classroom email address is msalco@fairview.k12.oh.us.

Have a **fantastic** week!
Think Spring!
